To Whom It May Concern

Reference: Declaration of anti-reflective coating on Maxeon-SunPower modules P6 series

Dear Sir, Madam,

We, SunPower confirms that the Maxeon-SunPower modules P6 series are equipped with tempered glass with anti-reflection treatment like all other Maxeon-Sunpower modules.

The technical specifications of the glasses used to manufacture Maxeon-SunPower modules P6 series are exactly the same, including anti-reflective coating as the technical specifications of the glasses used to manufacture the other Maxeon-SunPower modules.

Sincerely,

A handwritten signature in black ink, consisting of a vertical line that curves to the left at the bottom and then back to the right, with a horizontal line crossing it near the top.
